Please be informed that in Tukey Fair grounds and congress areas do not have customs offices. Therefore all goods unaffiliated of mode transport are subject to an inspection and clearance at the arrival customs point before being moved to the exhibition area. Also all truck shipments must be unloaded to customs bonded warehouses for inspection and clearance.

Temporary import by Carnet ATA

A Carnet ATA eliminates some of the customs procedures for temporary import and also eliminates the necessity of temporary import bond. Carnet ATA is issued by the exhibitor's local Chamber of Commerce in over 70 countries. All exhibitors are strongly recommended to issue a Carnet ATA for all their temporary importation exhibits.

In section B of Carnet ATA (REPRESENTED BY), it should be written the complete company name of DHL. If it's written "by PROXY" in section B, we need a POWER OF ATTORNEY approved by chamber of Commerce as attached sample. If it is written anything else other than the exhibitor's name and address on Carnet ATA, DHL or it's customs broker can not clear the goods.

The name and dates of the exhibition must be indicated in section C.

All exhibits shipped under a Carnet ATA must be re-exported in same conditions and quantities in 60 days after the end of the exhibition.

Please attach a packing list to each Carnet ATA showing the exact gross weight and package number.

Temporary import by Invoice

If Carnet ATA cannot be provided, the following documents are required for temporary import of the goods and a temporary import bond will be calculated over CIF value of the goods as % 0,5 for in- and outbound separately.

- Invoice (2 original)
- Packing list (2 original)
- ATR (for shipments from EU countries)
- EUR 1 (for shipments from EFTA countries)
- Certificate of Origin (for other countries)

- Inspection and health certificates

The invoice/packinglist must specify follows:

- number of packages
- Single and total weight

Please mention : **TO BE CONSUMED DURING THE FAIR**. In Case of "no commercial value" of the goods a **"FREE OF CHARGE, VALUE FOR CUSTOMS PURPOSES"** per item has to be mentioned.
